Word

### **Marketing Skills:**

Social Media (Face Book, Linked In, Twitter, Google +, YouTube)

Web

Email advertising

Money Mailer

### **Work History:**

I have made historical movies for the military (documentary style) for the states of California, South Carolina, North Dakota, New York, and Illinois.

“Marketing, film editing, Graphics and web” position at Whipple Service Champions.

I created scrapbooks, business cards, invitations, calendars, signs, stationery and cards etc. that were put into the [PrintMaster](#) and [My Memory Suite](#) software programs.

Film editor at Wake Up Now.

**Capabilities:** I can work under the direction of managers and I also have experience managing designers. I have managed social media, advertising, created proofs, created print work (flyers, money mailers, catalogs, coupon books, logos, door hangers, stickers, posters, cards), T-shirts and vehicle wraps.

I also create animations (3D and 2D), edit commercials, training videos, how to videos, web videos as well as edit audio/radio tracks and green screen.

My work has been shown on national television, has been featured in books and magazines and I was the Winner of the Fuji Film Contest.
